

Delaware Recreation and Parks Society Nominations for Officers

Dear Colleagues,

As your immediate Past President, I have the honor of recruiting candidates for the 2023 DRPS elections for the following Executive Board offices:

President - Elect
Secretary
Treasurer

(3) At-Large Executive Board members

Please consider who among our membership would be a worthy candidate for these offices. If you have someone in mind, please be sure to ask him or her if they would accept the nomination.

Additionally, if you would like to be nominated for one of these offices, feel free to ask another member to place your name in nomination.

Please contact me directly at heather.mergenthaler@newcastlede.gov with your nomination by February 1, 2023.

Our association is only as good as the people we choose to lead us. Please help us to recruit the best candidates for DRPS!

Heather Mergenthaler
Past President
